Dear Prospective Dealer,

Thank you for your interest in DigiCom, Inc., Florida's most experienced Wholesale Central Station.

DigiCom, Inc. goes beyond superior technology and with a successful three decade track record of reliably servicing dealers like you, we feel confident that our UL approved Central Station will completely exceed your highest expectations.

Your company's relationship to our people, operators, and billing staff, is considered a paramount priority. We know that we have the most efficient and courteous personnel anywhere to keep you available to secure your customers with absolute confidence.

I encourage you to review our services and capabilities, and to return your application or call me directly for more information.

Please accept my invitation to make Florida's most experienced Central Station your partner in absolute high end service delivery and security.

Yours truly,

Susan Edmondson  
Operations Manager
